

# Pinks Parties

For ages 4 -16

**These parties have been designed to make girls birthdays ever so special, and an exciting and memorable occasion for everyone involved. The pressure is taken from the parents whether it is at their own home, at the salon or at an organised venue, so they can relax while the girls are entertained.**

These parties are carried out by qualified beauty therapists that have undergone a CRB police check to meet with legislative requirements and are fully trained and insured to carry out this type of work, so you can rest assured that your children are in safe hands.

All equipment used is sterilised prior to use and protective covers/throws are used for floors and furniture if needed. The party fun lasts for 3 hours and it is suggested that you provide a finger buffet so that the girls can go back and to during events.

All equipment is provided for the parties and a £50 deposit is required upon booking your party. A full refund will only be given if 14 days or more notice is given.

**For more information or to book a party please call Pinks**
